

Facility Management Victoria Pty Ltd Personal Protective Equipment (PPE) Policy

This may vary from property to property depending on the work required. A uniform is provided to all staff that is required to be worn at all times. Clothing generally provided includes:

- Pants
- Shirt
- Tie
- Jumper
- Jacket

Eye Protection

- Where required on MSDS
- Using machines i.e. Lawn mowers

Hearing Protection

- Check procedures and machine operating manual.
- Where indicated on a site by the Building Manager.

Gloves

- Cleaning
- Where required on MSDS
- Where you have cuts, burns, abrasions
- When operating any machinery.

Dust Masks

- Where required on MSDS

Skin Protection

- Outdoor activities involving sun exposure
- Sunscreen lotion and a hat is to be worn

Safety Boots

- When operating gardening equipment

All safety equipment must be worn as required at all times. Failure to do so will result in disciplinary action.

Advise the Building Manager or Director of your safety equipment requirement.
